CHARTER OF THE BOARD OF TRUSTEES

May 7, 2024

The purpose of this mandate is to set out the mandate and responsibilities of the board of trustees (the “**Board**”) of Northwest Healthcare Properties Real Estate Investment Trust (the “**REIT**”), subject to the provisions of applicable statutes and the Declaration of Trust of the REIT.

1. Composition

The Board shall be constituted with a majority of individuals who qualify as “independent” as defined in National Policy 58-201 – Corporate Governance Guidelines.

2. Responsibilities of the Board of Trustees

The Board is responsible for the stewardship of the REIT and in that regard shall be specifically responsible for:

- (a) satisfying itself as to the integrity of the chief executive officer (the “**Chief Executive Officer**”) and each other senior executive officer of the REIT that reports directly to the REIT’s Chief Executive Officer (such individuals, together with the Chief Executive Officer, the “**C-Suite**”), and that the members of the C-Suite create a culture of integrity throughout the REIT;
- (b) appointing, replacing, assessing and compensating the Chief Executive Officer;
- (c) after receiving the recommendations of the Chief Executive Officer, approving the appointment, replacement, and compensation of the other members of the C-Suite;
- (d) adopting a strategic planning process and approving, on at least an annual basis, a budget, and evaluating and discussing a strategic plan for the upcoming year which takes into account, among other things, the opportunities and risks of the REIT’s business and investments;
- (e) supervising the activities, investments and affairs of the REIT;
- (f) approving major decisions regarding the REIT;
- (g) reviewing and approving the business and investment objectives to be met by management;
- (h) assessing the effectiveness of the Board and the committees of the Board and each individual trustee on an annual basis;
- (i) reviewing the REIT’s debt strategy;
- (j) overseeing management with respect to the identification and management of the principal risks of the REIT’s business;
- (k) overseeing the REIT’s strategy and approach to environmental, social and governance matters, which shall include assessing material climate risks and opportunities;
- (l) overseeing management with respect to the REIT’s internal controls and management information systems;
- (m) overseeing the succession planning process for the C-Suite;

- (n) overseeing the REIT's general approach to human resources, including reviewing and approving compensation plans and acting as Administrator of the REIT's incentive compensation plans;
- (o) considering matters relating to Board succession and composition;
- (p) overseeing the development and implementation of orientation and continuing education programs for trustees to develop and enhance their skills and knowledge (as it relates to their duties and their responsibilities on the Board);
- (q) establishing committees of the Board, where required or prudent, and defining their mandate;
- (r) delegating powers to committees of the Board, where prudent;
- (s) selecting a chair of the Board (the "**Chair**") and, if the Chair is a non-independent trustee, an independent lead trustee (the "**Lead Trustee**");
- (t) developing and approving clear position descriptions for the Chair, the Lead Trustee (if applicable), and the chair of each committee of the Board;
- (u) together with the Chief Executive Officer, developing and approving a clear position description for the Chief Executive Officer (including delineating management responsibilities) and corporate goals and objectives that the Chief Executive Officer is responsible for meeting.
- (v) overseeing management with respect to the provision of reports to Unitholders;
- (w) establishing policies that ensure effective and adequate communication with Unitholders, other stakeholders and the public;
- (x) assessing from time to time any policy, procedure, guideline or standard, including this Charter, created by the Board to manage or fulfill its roles, duties and responsibilities, to ensure that they are effective and current, and ensure that each committee of the Board performs the same assessment in relation to policies, procedures, guidelines and standards of such committee; and
- (y) approving the amount and timing of distributions to Unitholders.

It is recognized that every trustee in exercising powers and discharging duties must act honestly and in good faith with a view to the best interest of the REIT. Trustees must exercise the care, diligence and skill that a reasonably prudent person would exercise in comparable circumstances. In this regard, they will comply with their duties of honesty, loyalty, care, diligence, skill and prudence.

In addition, trustees are expected to carry out their duties in accordance with policies adopted by the Board from time to time and the Trustees' Regulations, a current copy of which is annexed hereto as Schedule "A".

It is expected that Management will co-operate in all ways to facilitate compliance by the Board with its legal duties by causing the REIT and its subsidiaries to take such actions as may be necessary in that regard and by promptly reporting any data or information to the Board that may affect such compliance.

3. Meetings

The Board will meet not less than four times per year. The Board shall function with a Chair and, if such Chair is a non-independent trustee, a Lead Trustee, and shall meet without management present to ensure that the Board functions independently of management. At each Board meeting, unless otherwise determined by the independent trustees, an in-camera meeting of independent trustees will take place chaired by the Lead Trustee. The Board (and individual trustees, subject to approval by the Chair and if one has been appointed, the Lead Trustee) shall be permitted to engage outside advisors at the cost of the REIT.

The Board appreciates having certain members of senior management attend each Board meeting to provide information and opinion to assist the trustees in their deliberations. Management attendees will be excused for any agenda items which are reserved for discussion among trustees only.

4. Board Meeting Agendas and Information

The Chair, and if one has been appointed, the Lead Trustee, in consultation with management of the REIT, will develop the agenda for each Board meeting. Agendas will be distributed to the trustees before each meeting, and all Board members shall be free to suggest additions to the agenda in advance of the meeting.

Whenever practicable, information and reports pertaining to Board meeting agenda items will be circulated to the trustees in advance of the meeting. Reports may be presented during the meeting by members of the Board, management and/or staff, or by invited outside advisors. It is recognized that under some circumstances, due to the confidential nature of matters to be discussed at a meeting, it will not be prudent or appropriate to distribute written materials in advance.

5. Telephone and Electronic Board Meetings

A trustee may participate in a meeting of the trustees or in a committee meeting by means of telephone, electronic or such other communications facilities as permit all persons participating in the meeting to communicate with each other and a trustee participating in such a meeting by such means is deemed to be present at the meeting.

While it is the intent of the Board to follow an agreed meeting schedule as closely as possible, it is felt that, from time to time, with respect to time sensitive matters, telephone or electronic board meetings may be required to be called in order for trustees to be in a position to better fulfill their legal obligations. Alternatively, management may request the trustees to approve certain matters by unanimous consent.

6. Term Limits

The Board believes that term limits are one of many board renewal processes that help to ensure independence and the addition of new perspectives while allowing for appropriate continuity. Trustees may serve for 10 years from their initial election or appointment to the Board, after which the trustee will not be nominated for re-election to the Board. Exceptions may be made by the Board, upon recommendation of the Compensation, Nominating and Governance Committee, to waive such limit for a trustee under extraordinary circumstances.

7. Expectations of Management

Management shall be required to report to the Board at the request of the Board on the performance of the REIT, new and proposed initiatives, the REIT's business and investments, management concerns and any other matter the Board or its Chair may deem appropriate. In addition, the Board expects Management to promptly report to the Chair, and if one has been appointed and if appropriate, the Lead Trustee, any significant developments, changes, transactions or proposals respecting the REIT or its subsidiaries. All members of the Board should be free to contact management to discuss any aspect of the REIT's business. Written communications between members of the Board and management will normally be copied to the Chief Executive Officer. Trustees should use their judgement to ensure that any such contact is not disruptive to the operations of the REIT. The Board expects that there will be frequent opportunities for members of the Board to meet with management in meetings of the Board and committees, or in other formal or informal settings.

8. Communications

The Board approves the content of the REIT's major communications to Unitholders and the investing public including the Annual Report, Management Information Circular, the Annual Information Form and any prospectuses which may be issued. The Audit Committee shall review and recommend to the Board the approval of the quarterly and annual financial statements (including the Management Discussion & Analysis) and press releases relating to financial matters. The Compensation, Nominating and Governance Committee shall review and recommend to the Board for approval reports regarding executive compensation and the REIT's system of corporate governance practices.

The Board shall review and approve a disclosure policy and such other policies as may be necessary or desirable for communicating with unitholders, the investment community, and the general public. All publicly disseminated materials of the REIT shall provide for a mechanism for Unitholder feedback.

Generally, communications from unitholders and the investment community will be directed to the Chief Executive Officer or as he or she may otherwise direct from time to time, who will coordinate an appropriate response depending on the nature of the communication. It is expected, if communications from stakeholders are made to the Chair or to other individual trustees, management will be informed and consulted to determine any appropriate response. The Board will receive reports summarizing feedback from stakeholders on a semi-annual basis or at such other more frequent intervals as the Board requires.

9. Code of Business Conduct and Ethics

The Board is responsible for adopting a written code of business conduct and ethics (the “Code”), which shall be applicable to trustees, officers and employees of the REIT, and shall be designed to promote ethical conduct and deter wrongdoing. The Board shall be responsible for monitoring compliance with the Code.

10. Other Boards, Significant Time Commitments and Interlocks

The REIT values the experience trustees bring from other boards on which they serve and other activities in which they participate but recognizes that those boards and activities also may present demands on a trustee’s time and availability and may present conflicts or legal issues, including independence issues. Each member of the Board should, when considering membership on another board or committee, make every effort to ensure that such membership will not impair the member’s time and availability for his or her commitment to the REIT. Trustees should advise the Chair (and, if one has been appointed, the Lead Trustee) before accepting membership on other public company boards or establishing other significant relationships with businesses, institutions, governmental units or regulatory entities that could reasonably be expected to affect the member’s independent relationship with the REIT or result in an actual or perceived conflict.

In addition to the foregoing, a trustee that is also the Chief Executive Officer may not serve simultaneously on the board of more than two other public companies (excluding affiliates of the REIT) unless the Board determines that simultaneous service will not materially adversely affect the Board from acting independently or from fulfilling its mandate in accordance with applicable law. No other trustee may serve simultaneously on the board of more than four other public companies (excluding affiliates of the REIT) unless the Board determines that simultaneous service will not materially adversely affect the Board from acting independently or from fulfilling its mandate in accordance with applicable law.

No more than two trustees should serve on the same public company board or board committee, unless otherwise agreed by the Board or such public company is an affiliate of the REIT. Notwithstanding the foregoing, the Board has the discretion to assess any new or existing interlocks and determine whether the interlocks affect the ability of those trustees to contribute to the Board. In considering whether or not to permit more than two trustees to serve on the same board or committee, the Board should take into account all relevant considerations including, in particular, the total number of Board interlocks at that time and the strategic requirements of the REIT.

11. No Rights Created

This Charter is a broad policy statement and is intended to be part of the Board’s flexible governance framework. While this Charter should comply with all applicable law and the REIT’s constituting documents, this Charter does not create any legally binding obligations on the Board, any committee of the Board, any trustee or the REIT.

A meeting of the Unitholders may be held for any purpose on any day and at any time without notice if all of the Unitholders and all other Persons entitled to attend such meeting are present in Person or, where appropriate, represented by proxy at the meeting (except where a Unitholder or other Person attends the meeting for the express purpose of objecting to the transaction of any business on the grounds that the meeting is not lawfully called) or if all of the Unitholders and all other Persons entitled to attend such meeting who are not present in Person or, where appropriate, represented by proxy thereat waive notice before or after the date of such meeting.

A ballot may be demanded either before or after any vote by show of hands by any Person entitled to vote at the meeting. If at any meeting a ballot is demanded on the election of a chairperson or on the question of adjournment it shall be taken forthwith without adjournment. If at any meeting a ballot is demanded on any other question or as to the election of Trustees, the vote shall be taken by ballot in such manner and either at once, later in the meeting or after adjournment as the chairperson of the meeting directs. The result of a ballot shall be deemed to be the resolution of the meeting at which the ballot was demanded. A demand for a ballot may be withdrawn.

Where two or more Persons hold the same Unit or Units jointly, one of those holders present at a meeting of the Unitholders may, in the absence of the other or others, vote the Unit or Units but if two or more of those Persons who are present, in Person or by proxy vote, they shall vote as one on the Unit or Units jointly held by them.

This proxy is [not] solicited by or on behalf of management of the REIT.

DATED this day of

Signature of Unitholder

The Trustees may from time to time institute procedures regarding the lodging of proxies at some place or places other than the place at which a meeting or adjourned meeting of the Unitholders is to be held and for particulars of such proxies to be sent by telecopier or in writing before the meeting or adjourned meeting to the REIT or any agent of the REIT for the purpose of receiving such particulars and providing that proxies so lodged may be voted upon as though the proxies themselves were produced at the meeting or adjourned

meeting and votes given in accordance with such procedures shall be valid and shall be counted. The chairperson of any meeting of the Unitholders may, in his or her discretion, accept telecopier or written communication as to the authority of any Person claiming to vote on behalf of and to represent a Unitholder notwithstanding that no proxy conferring such authority has been lodged with the REIT, and any votes given in accordance with such telecopier or written communication accepted by the chairperson of the meeting shall be valid and shall be counted.

17. **Adjournment.** The chairperson of any meeting of the Unitholders may with the consent of the meeting adjourn the same from time to time to another Business Day at a fixed time and place and no notice of such adjournment need be given to the Unitholders. If there is no quorum present at the adjourned meeting, the original meeting shall be deemed to have terminated forthwith after its adjournment.

18. **Quorum.** No business shall be transacted at any meeting of the Unitholders unless the requisite quorum be present at the time of the transaction of such business. If a quorum is not present at the time appointed for a meeting of the Unitholders or within 30 minutes thereafter, the Persons present and entitled to vote may adjourn the meeting to another business day not less than 14 days later at a fixed time and place but may not transact any other business and the provisions of paragraph 17 with regard to notice shall apply to such adjournment.

A certificate representing Units containing the signature of a Person which is printed, engraved, lithographed or otherwise mechanically reproduced thereon may be issued notwithstanding that the Person has ceased to be a Trustee or an officer, as the case may be, of the REIT and shall be as valid as if he or she were a Trustee or an officer, as the case may be, at the date of its issue.

The duly authorized signing officers of the REIT may also from time to time execute and deliver for and on behalf of the REIT proxies and/or arrange for the issuance of voting certificates and/or other evidence of the right to vote in such names as they may determine without the necessity of a resolution or other action by the Trustees.

24. **Units Registered in More Than One Name.** All notices or other documents with respect to any Units registered in more than one name shall be given to whichever of such Persons is named first in the records of the REIT and any notice or other document so given shall be sufficiently given to all of the holders of such Units.

28. **Proof of Service.** With respect to every notice or other document sent by post it shall be sufficient to prove that the envelope or wrapper containing the notice or other document was properly addressed as provided in the Declaration of Trust and in these Trustees' Regulations and put into a post office or into a letter box. A certificate of an officer of the REIT in office at the time of the making of the certificate or of a transfer officer of any transfer agent or branch transfer agent of Units of the REIT as to facts in relation to the sending or delivery of any notice or other document to any Unitholder, Trustee, officer or auditor of the REIT or publication of any notice or other document shall be conclusive evidence thereof and shall be binding on every Unitholder, Trustee, officer or auditor of the REIT, as the case may be.
